大自然滋養著鹽田梓島上每一戶人家。在繁忙工作之後,最珍貴的時刻莫過於一家人圍著飯桌,共享大自然所賜予的美食。對鹽田梓的客家村民來說,這個總是簡單而滿足的時刻。「晤梓一餐飯」通過食物將人與大自然連結在一齊,並深植於鹽田梓客家菜的傳統之中。這件作品象徵村民回歸家園,共享美食的意義,同時也是大家聚集閒聊的熱鬧場所。儘管鹽田梓的客家菜樸實無華,村民仍然可以在有限的資源下,烹調出美味的佳餚。隨著時代發展,鹽田梓村民的生活環境及生活方式正迅速地改變。這件藝術品嘗試保存傳統,同時亦表達鹽田梓新一代對未來的願景。在鹽田梓的晤聚讓我們再次回家,在飯桌前聚首一堂。

When nature nurtures every household on Yim Tin Tsai, the Hakka villagers cherished simple yet valuable moments gathered around the dining table, enjoying the gift of nature. Meet'n Meal symbolised these connections among people, nature and traditional Hakka cuisine, serving as a place for villagers to reunite and engage in casual conversation. Despite the simplicity of Hakka dishes, the villagers of Yim Tin Tsai create yummy dishes with limited resources. As the villagers lifestyle evolves, the artwork aims to preserve traditions while showcasing the new generations aspirations. It provides a value for global villages to come together, reconnect with family and relish heartwarming moments at the dining table. Let's gather around Meet'n Meal in Yim Tin Tsai and relish the joy of coming back home together around the table.
